

Fields of Studies at ASNRUKH (BS.c.)

No	Faculty	Major	Field
1	Agricultural Engineering and Rural Development	Biosystem Mechanical Engineering	Designing Agricultural Machines
2	Agricultural Engineering and Rural Development	Agricultural Mechanization Engineering	Systems Management and Analysis
3	Agricultural Engineering and Rural Development	Sustainable Agricultural Extension and Education Engineering	-----
4	Agricultural Engineering and Rural Development	Agricultural Economics Engineering	-----
5	Agricultural Engineering and Rural Development	Water Sciences and Engineering	-----
6	Animal Sciences and Food Technology	Food Industry Science and Engineering	-----
7	Animal Sciences and Food Technology	Animal Science Engineering	-----
8	Agriculture	Production and Plant Genetics Engineering	-----
9	Agriculture	Horticultural Sciences and Engineering	-----
10	Agriculture	Green Space Engineering	-----
11	Agriculture	Soil sciences and engineering	-----
12	Agriculture	Medicinal Plants	-----
13	Agriculture	Nature Engineering	-----
14	Agriculture	Environmental Sciences and Engineering	-----
