

### Fields of Studies at ASNRUKH (Ph.D.)

No	Faculty	Major	Field
1	Agricultural Engineering and Rural Development	Agricultural Mechanization Engineering	Systems Management and Analysis
2	Agricultural Engineering and Rural Development	Agricultural Mechanization Engineering	Energy Orientation
3	Agricultural Engineering and Rural Development	Extension and Education of Sustainable Agriculture	Extension of Sustainable Agriculture and Natural Resources
4	Agricultural Engineering and Rural Development	Extension and Education of Sustainable Agriculture	Education of Sustainable Agriculture and Environment
5	Animal Sciences and Food Technology	Food Technology	
6	Animal Sciences and Food Technology	Animal Science Engineering	Animal Nutrition
7	Animal Sciences and Food Technology	Animal Science Engineering	Poultry Nutrition
8	Animal Sciences and Food Technology	Animal Science Engineering	Genetics and Breeding of Livestock and Poultry
9	Animal Sciences and Food Technology	Animal Science	Livestock and Poultry Physiology
10	Agriculture	Agrotechnology	Physiology of Agricultural Plants
11	Agriculture	Agrotechnology	Ecology of Agricultural Plants
12	Agriculture	Fertility Management and Soil Biotechnology-	Soil Biology and Biotechnology
